MTC's Small Fall Musical: *The Last Five Years*

Music and Lyrics by Jason Robert Brown

Directed by Alexander Hamilton

This musical chronicles the five-year relationship between Jamie Wellerstein and Cathy Hiatt. This unique narrative unfolds in an unconventional structure where Jamie's story progresses chronologically while Cathy's story moves in reverse, starting at the end of their relationship. Through this format, the audience witnesses the highs and lows of their love, the impact of their individual career ambitions, and the strain it places on their connection. This deeply emotional and relatable musical offers an exploration of love, ambition, and the passage of time.

December 8rd & 9th in the Skylight Lounge

THE LAST FIVE YEARS

Is presented through special arrangement with Music Theatre International (MTI).

All authorized performance materials are also supplied by MTI.
